ACCESSIBILITY SOLUTIONS

We continuously strive to make sure all language and communication barriers are removed through the services we provide. This includes accessibility solutions such as:

- ✓ Closed Captioning
- ✓ CART (Communication Access Real-time Translation)
- ✓ Braille Printing
- ✓ Accessible Document Formatting

TRAINING AND TESTING

FOR EMPLOYERS: MCIS is a Language Solutions Hub. We can also train and test your staff to maximize language proficiencies within your organization.

FOR ASPIRING LANGUAGE PROFESSIONALS: If you are an individual seeking a new profession or simply want to upgrade your professional language skills, look no further. MCIS provides community interpreting as well as advanced training programs in various fields such as legal, medical and social services.

LANGUAGE CONSULTING

This service is perfect for organizations which require a solution for their communication needs, and want to engage existing clients more effectively and prepare for an expansion abroad. We will collaborate with our customers to maximize impact of our operations through language solutions that are efficient and cost-effective.
