EMPLOYMENT AND SOCIAL SERVICE SUBSIDY LETTER TO ENROLL IN PROFESSIONAL INTERPRETER TRAINING

MCIS offers clients, who are receiving financial assistance from government agencies, and who are proficient in English and at least one other language, different interpreter training options as a means to become employable. Interpretation opens doors for other opportunities in the social services; medical, legal, immigrant and refugee sectors; emergency and homeless services; and various other private and public settings.

During the training, we will also provide information on the Roles and Responsibilities of an Interpreter, the freelance (on-call-as-needed) aspect of the profession, qualifications and requirements to become an interpreter, types of assignments and fee structure, Ministry-approved training courses and available language testing and accreditation opportunities.

Please explore the possibility of receiving subsidy from your agency for the administration of the Language Certification and enrolling in the Interpreting Training program. Upon graduation from training, you will qualify to apply to our interpreters' roster, thus becoming eligible for interpreting assignments throughout Ontario. In addition, you will be provided with support in applying to other key interpreting agencies in the Greater Toronto Area. This would broaden your work opportunities.

Please sign the **Consent to Share Information Form**, and share it with your case worker, who may choose to make a payment by cheque payable to **MULTILINGUAL COMMUNITY INTERPRETER SERVICES**, to you directly, or be invoiced for the amount.

Note on government loans: that MCIS Interpreter Training is not a full time program, hence students are not eligible for receiving funds from OSAP.

Yours truly,
